

Bibelleseplan

Wenn man diesen Plan befolgt, dann liest man in einem Jahr das neue Testament zweimal und das alte Testament einmal durch. Pro Tag sind das ungefähr vier Kapitel. Hierbei wird das alte Testament, so weit es geht, in chronologischer Reihenfolge aufgeführt. Auch ein Psalm, der zu dem Thema paßt, wird in dieser Woche mit aufgeführt.

Wenn man es nicht schafft, pro Tag vier Kapitel zu lesen, dann liest man halt weniger. Anhand der Kästchen weiß man ja, wie weit man ist.
